 Lagos, NGA

Motivated Frontend Developer with hands-on experience building real-world projects for clients using HTML, CSS, and JavaScript. Skilled in developing responsive, user-friendly interfaces with attention to performance and design consistency. A fast learner with a passion for clean code, accessibility, and continuous improvement. Actively seeking an entry-level role where I can contribute to a forward-thinking development team and grow my skills in a professional setting.

TECHNICAL SKILLS

- Languages & Tools: HTML5, CSS3, JavaScript, Git, GitHub
- Responsive Design: Flexbox, Grid, Media Queries
- Deployment: GitHub Pages, Netlify, cPanel
- Development Tools: VS Code, Chrome DevTools
- UI/UX: Wireframing, Layout Planning, Accessibility Principles

WORK EXPERIENCE

- **Frontend Developer | EUX Travels** Apr 2025 – Present
 - Designed and implemented the company's official website using semantic HTML, CSS, and JavaScript.
 - Built a fully responsive user interface optimized for various screen sizes and devices.
 - Integrated accessibility best practices to improve usability for all users.
 - Managed hosting and domain configurations through cPanel, ensuring a seamless live deployment.
- **Freelance Frontend Developer | Remote** May 2024 – Apr 2025
 - Developed interactive and visually appealing websites for small business owners and entrepreneurs.
 - Collaborated with clients to define project scope, layout, and design features.
 - Used Git and GitHub for version control and team collaboration during remote projects.
 - Performed testing and revisions to enhance performance, functionality, and client satisfaction.

- **Frontend Developer | Dcess Academy (Trainee)** *Dec 2023– Apr 2024*
 - Participated in guided training and hands-on coding exercises focused on HTML, CSS, and JavaScript.
 - Completed several real-world projects including landing pages and portfolio sites.
 - Attended code reviews and received structured feedback to improve code quality.
 - Practiced mobile-first design techniques and learned key UI/UX principles.
- **Assistant Teacher | Amazing Grace Schools** *Jun 2020– Nov 2023*
 - Supported the lead teacher in delivering daily lesson plans and classroom activities.
 - Provided one-on-one tutoring and homework assistance to help students grasp difficult concepts.
 - Monitored student behavior and ensured a positive and productive learning atmosphere.

EDUCATION

- **Auchi Polytechnic, Edo State** *2022*
 - ND, Chemical Engineering
- **Big Heart High School** *2017*
 - Senior Secondary School Certificate (SSCE)
